DTFR-Certificate - New Approval - Engine Oil - Reblend
DTFR 15B120 for: "Havens Robusta HD 10W40"
Oil-Code: ME2008135-D, SAE-Grade: 10W-40
Reblend to IME2008135-D with Oil-Code: -
Supplier: Infineum UK Limited

Dear Sir or Madam,

The aforementioned operating fluid complies with the requirements of the Daimler Truck Specifications for Operating Fluids, sheet DTFR 15B120 and is therefore approved for the respective Mercedes-Benz-Trucks vehicles and assemblies. The application range is shown and further defined on the sheet DTFR 15A100. Further requirements, e.g. SAE grades, capacities, change intervals etc. must also be observed.

The following regulations apply for the DTFR (Daimler Truck Fluid Release):

- The DTFR comes into force on the date shown on this certificate
- The DTFR will expire in 5 years at the latest
- The DTFR automatically terminates on expiry of the validity period at the latest
- The DTFR is only valid as long as the product name is listed in Mercedes-Benz-Truck BeVo-ONLINE: http://bevo.mercedes-benz-trucks.com
- Applications for renewals or new approvals etc. must be made in good time
- In addition, the regulations laid down in the current “Obligations Regarding Approval for Operating Fluids” contract apply.

A 2-liter back-up sample of each formulation, which can be called upon by Daimler Truck AG at any given moment, must be retained for at least 3 years. We will inform you of the dispatch address.

Sincerely
Daimler Truck AG

i.V. Gilles Fédacou
